Easy to use water paints, ideal for beginners and children, with a large range of colour to choose from. Each box contains the maximum amount of water-soluble colour that's safe for young hands. The clear plastic body and cap protects children from touching the dirty black nibs with their fingers, reducing risk of infection.

The Watercolors Paint Set is a great pack of 18 colors for the young artist. Clear plastic for the body, with a modern rounded shape that is easy to hold and comfortable to use. The paint can be diluted with water allowing clean, rich colors for easy fill in drawing or painting.
